OMNIA DC MOTOR - BATTERY PACKS
Please note: **Battery Packs** are only covered by an **18-Month Warranty** from **Date of invoice**.

All Omnia products have been manufactured in accordance with NRCS and ICASA standards and certification.

Omnia's only obligation shall be to repair or replace defective products, with no other indemnity for installation and reinstallation or consequential damages.

The following are warranty exclusions:

- If the product has been opened, disassembled, or returned with obvious signs of abuse or other damage.
- If the specifications, as provided by the downloadable manuals or the Technical department, were not followed correctly.
- If the installation and wiring were tampered with, or the surge protection plug was removed.
- If the Omnia motor has been used for purposes other than those for which it was designed.
- If Omnia products were used with accessories that have not been previously approved by the Omnia Technical department or the Technical Specifications document.
- If Omnia products have been submerged in any liquids or have suffered damage as a result of loadshedding.
